

Twine Recycling

3 steps to ensure your used twine can be accepted and recycled:

Please contact your local 'Alberta Ag-Plastic. *Recycle It!*' pilot collection site to confirm that it collects grain bags and/or twine, its hours of operation and if assistance is available.

1 Shake

- Remove as much debris, snow or ice as possible*
- Do not include net wrap

2 Bag

- Obtain Cleanfarms recycling bag from RM or collection site
- Place loose twine in a Cleanfarms recycling bag
- Poke small holes in bag at the bottom to drain water
- Secure bag tightly closed with twine or zip tie

3 Return

- Return to your local pilot collection site

*Excessively dirty twine, especially if knotted, may be rejected, subject to a landfill tipping fee or additional charges at drop off.

For more information: 403-942-6012 cleanfarms.ca

The pilot project is led by the multi-stakeholder Agricultural Plastics Recycling Group; funds were granted by the Government of Alberta and are administered by Alberta Beef Producers.
